Vassula, you felt My Presence, indeed, I
was sitting at the corner of your bed,
let Me edit* what I wrote o it is I, Jesus,
I am sitting now, but at this very
instant I will arise since you too will
arise.

He hardly finished writing when the door knocked urgently and I jumped up, I stood there quite perplexed. Jesus was emphasizing His Presence, to me that evening very much. It was so much, (like some other times) that I took a piece of paper to check and He wrote the above paragraph. (At the door was my bearer telling me something.)

I love you, weary not
of writing, giving Me this freedom*[2] is what I
desire;

Jesus, You are Wonderful!

be always

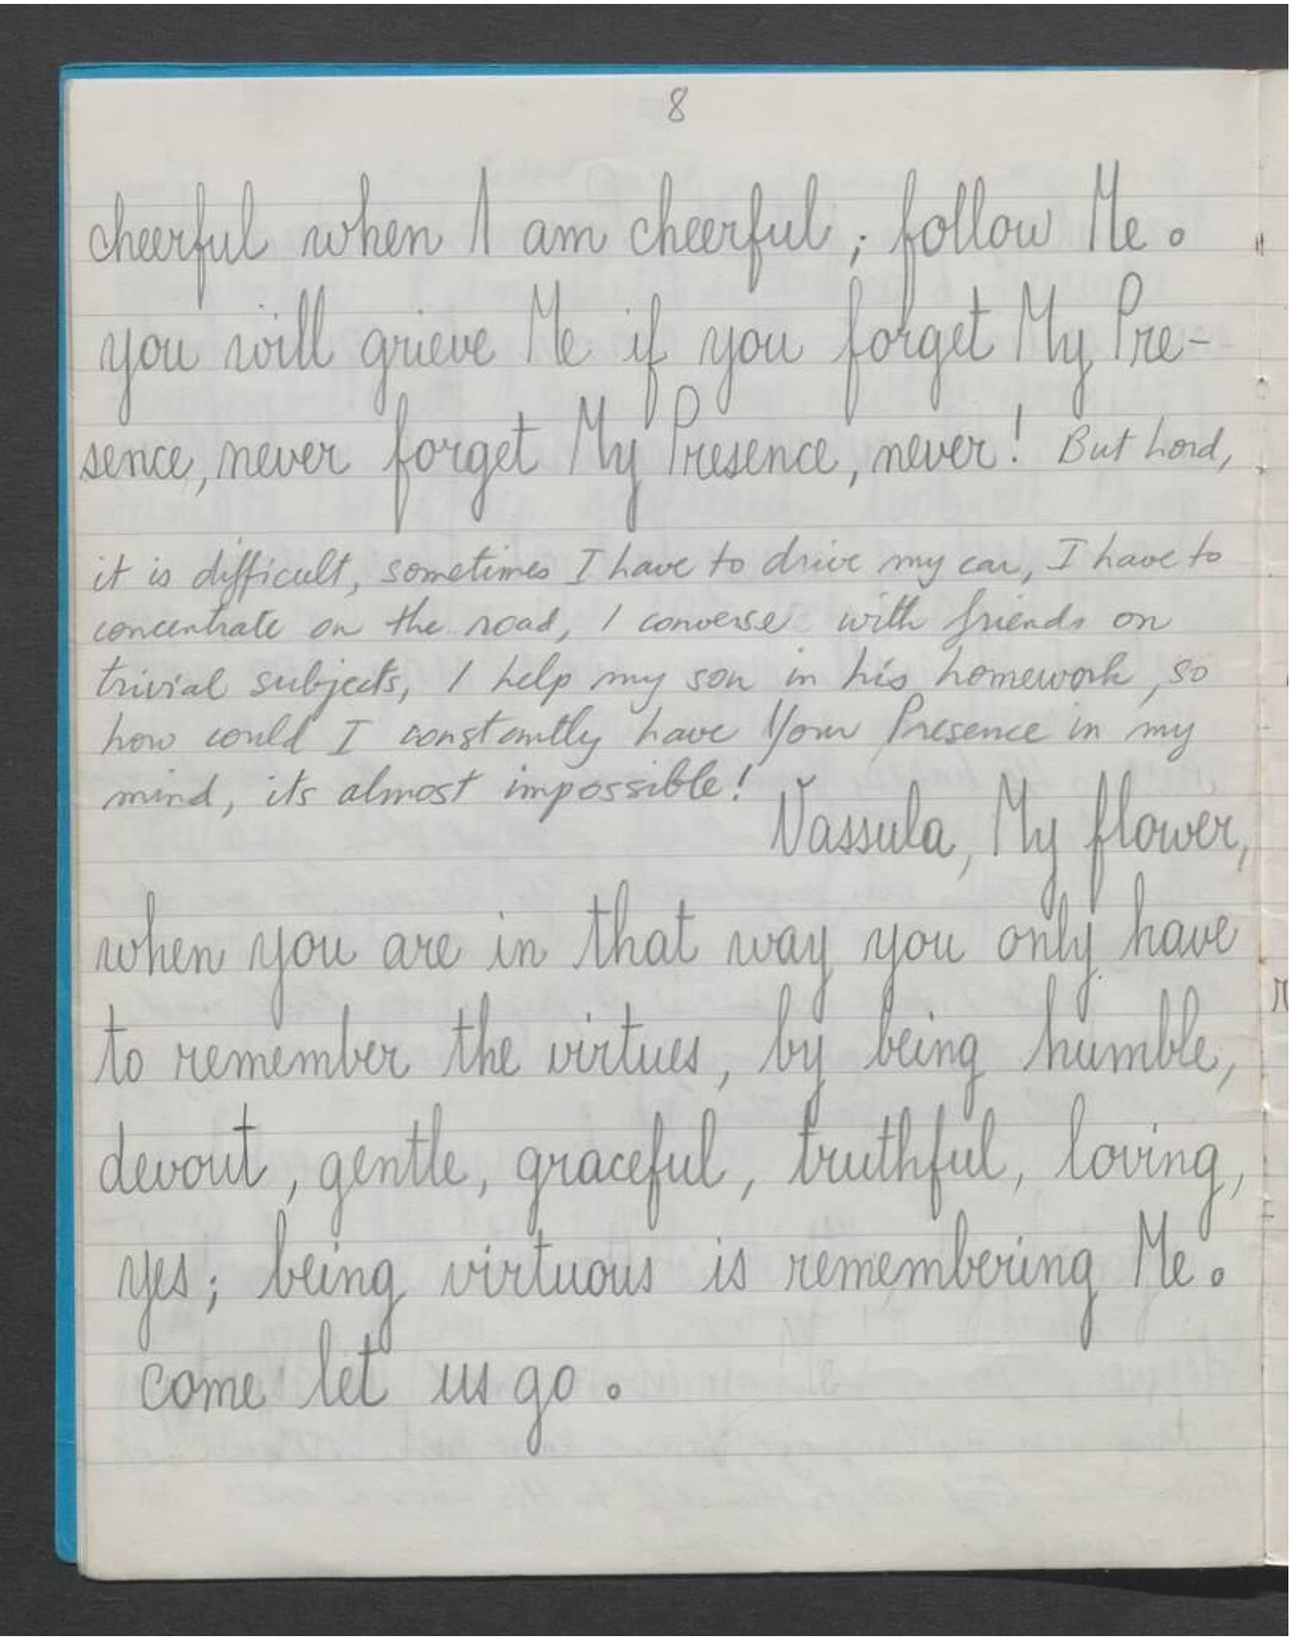
*[2]of using me.



cheerful when I am cheerful; follow Me o
you will grieve Me if you forget My Pre-
sence, never forget My Presence, never!

But Lord,
it is difficult, sometimes I have to drive my car, I have to
concentrate on the road, I converse with friends on
trivial subjects, I help my son in his homework, so
how could I constantly have Your Presence in my
mind, it's almost impossible!

Vassula, My flower,
when you are in that way you only have
to remember the virtues, by being humble,
devout, gentle, graceful, truthful, loving,
yes; being virtuous is remembering Me o
come let us go o

an ecstatic state of mind. How can I
explain it. For the following 2 days I

He gave me such a tremendous feeling

my entire body, thus having
this feeling of being air!

to know Jesus more, I understood that Jesus was teaching me
to be intimate with Him, like St. Gertrude & others.

I thought by entering It I
would find myself in very bright light, but no,
everything was of blue color, but what struck me
most is the silence and the feeling of Peace & Holiness.
It was amazing! Inside all was a circle!

yes, it is a circle,

the 'wall' around was no
wall, but living things, they were angels, a
wall of angels and closing like a dome the 'ceiling'
made by angels... all blue, they were millions, billions,
one stuck to the other, they were tall angels, one on top
of another, stuck all together; forming a solid wall.

My seraphs are guarding this Holy place
and are worshipping Me incessantly, can
you hear them? Holy of Holies, Holy is
our God Most High, "how many are they Lord?
thousands My child; who is this with the
gold sword and so beautiful? I don't know.
(I saw someone
like an angel which differed from the others, because
he was in 'normal' color, dressed in long white robe,
golden hair to the shoulders, and held in his hand
a beautiful gold sword,
and glittering his robe was of the purest of white
Vassula, the sword
is My Word o My Word is pure, it pierces
and illuminates; (suddenly the 'dome' opened
like a flower)
♡ behold, little one, try to

vigilant look around you and be aware
that evil exists o Can you see anything?

(I saw when this 'wall' opened like a
flower) horses with black velvety fierce eyes)
the "image" went further away I saw a battle.

My army will combat satan and his
followers, including ♡ all those that tried
to destroy My law ♡ remember that
I am the Alpha and the Omega, the

lance of My Saint* will be conquered o
when this will be done all his followers
will fall too o Vassula you will come
now to see My Hall of Judgement o I saw a
big hall, but no one yet there; suddenly
in one corner I saw a group (souls) it was the
clatter of chains that made me look. They seemed
haggard, beyond description and spotted with
charcoal or some black smudges. They seemed in awe
uncertain to where they were. They did not see us.
They seemed to be surprised of their surrounding o
listen to the trumpets, they are My angels
announcing Me, give Me your hand for you

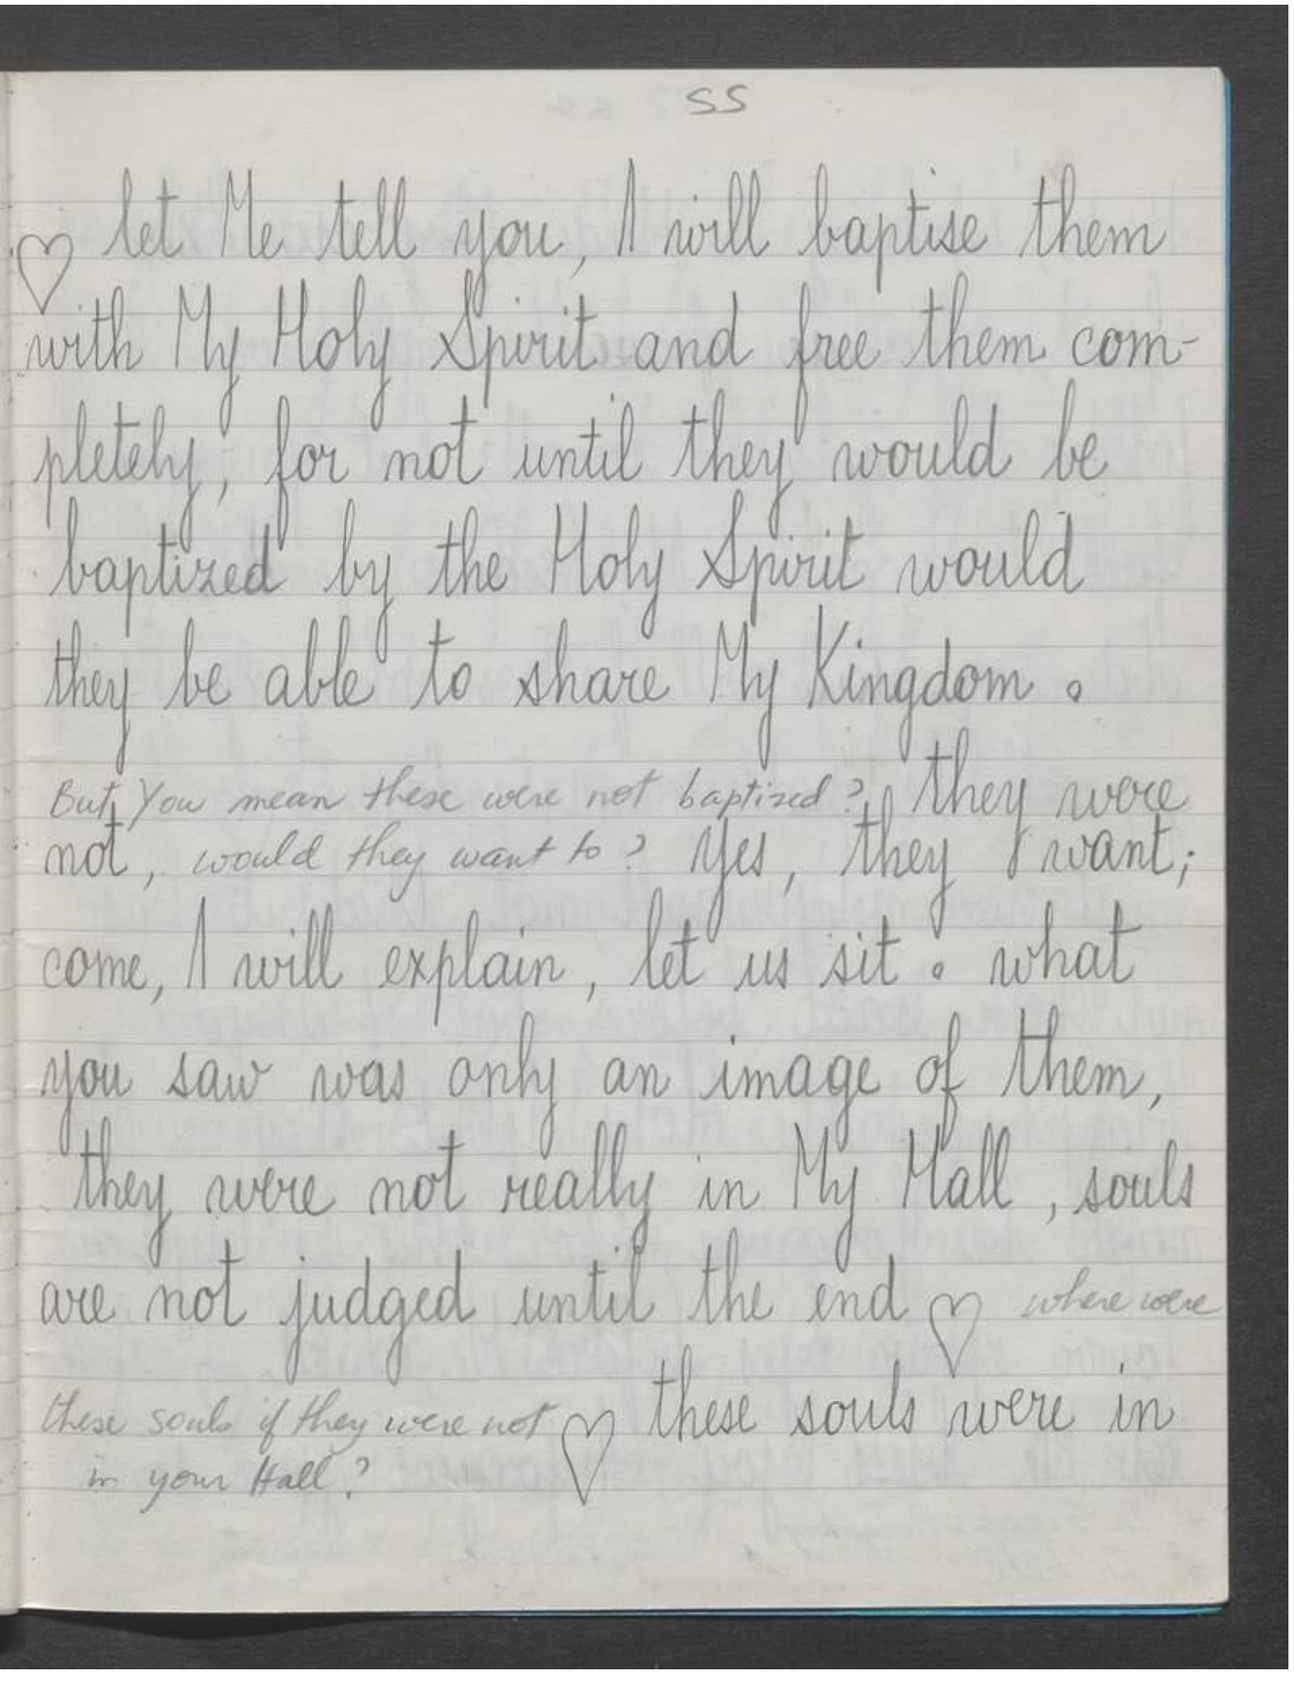
falls prostrate before Me, have you seen
this multitude of souls, they have just
arrived from underground*, these are tor-
mented souls who have been released, they
were at Satan's gates,

(who released them?)

I did ♡ with My heavenly works, and
all who amend and love Me, you see
why I want you to love Me? the
deeper you love Me the better chance
they have to be lifted and come to
Me ♡ do you want to know what
will become of these souls?

Yes Lord,what happens now?

* purgatory at Satan's gates, (very low)



♡ let Me tell you, I will baptise them
with My Holy Spirit and free them com-
pletely, for not until they would be
baptized by the Holy Spirit would
they be able to share My Kingdom o

But you mean these were not baptized?

they were not,

would they want to?

Yes, they want;
come, I will explain, let us sit o what
you saw was only an image of them,
they were not really in My Hall, souls
are not judged until the end ♡

where were these souls if they were not in your Hall?

♡ these souls were in

Hades,*¹ by being in Hades they are helpless; when you choose Me and desire to follow Me, you are saved, but if you fail to recognise Me, because of this obduracy you will fall o where you will go, will be endless martyrdom*²o ♡ I must warn you all, not that it has not been said before, but if anyone blasphemes the Holy Spirit they will never be forgiven, for this is My law o lower your eyes before Me, child ♡

(I did)

let Me bless you, I forgive your sins,

*¹ In Greek: Purgatory

I will dictate tomorrow My message
(I felt God suddenly embittered) about those
who represent Me but are not giving
Me enough love nor draw from My
Infinite Love either, ♡ daughter
come keep Me company, I need to rest,*
* to be consoled in a loving heart.
